Reduce Beer Waste & Increase Quality !

Do you want to **reduce waste & increase quality**? Ensure all your team do this for you by hosting this excellent training for them, so they consistently serve 'The Perfect Pint', then this training is for you.

BIIAB award in Beer & Cellar Quality for Cask & Keg beers or just for keg beers.

This course will give all candidates the necessary knowledge of caring for all beers from delivery to service to grow your profits and reduce your waste by ensuring all your beer is in the glass, not the drip tray.

Includes: – cellar hygiene, line cleaning, causes of fobbing, cask conditioning of ales (if required), dispense, service & presentation.

Both ABCQ courses (Cask & Keg or Keg only) can have the BII examination added at the end of the session so your team can proudly add an industry professional qualification to their CV.
